Distribution of NIEs and SNIEs to Vice President Nixon

25X1

1. advised me that he had been requested by Vice President Nixon's office on 9 January to cease any further distribution of NIEs and SNIEs to Mr. Nixon's office as of that date. Presumably this would cover any advance copies of estimates as well, although they were not mentioned.

2. Since your office normally handles the matter of distribution of estimates, please take any necessary steps to comply with Mr. Nixon's request.
